

## **CONGRATULATION TO ALL**

The Dharna organized by the JAC in Chennai Telephones on 2.6.3.2010 was the ever biggest. The combined efforts of the constituents of the JAC was the backbone for the success of the agitation. This has taken place in the background that the Administration having issued orders to all field units to take severe action on all the participants in the Dharna, refuse all kinds of leave on that day and to treat the same as **Dies non**. The participants have challenged the administration's anti-worker attitude and proved that they are ready to face any action for participating in the Dharna which is aimed at very genuine causes such as to save the BSNL organization and to protect 3 lakhs employees and officers in BSNL.

Start the preparation for the next powerful agitation "**Indefinite Strike**" from **20<sup>th</sup> April**. Meetings at 15 Centres in Chennai Telephones to propagate the Indefinite Strike planned.

Congratulation to all for making the JAC dharna a grand success.
