Madam,

Sub: Posting of TTA Considering request transfers-Reg

The departmental Candidates who are undergoing TTA training will complete their training by this week end.

In this connection, we hope that they would be given posting orders immediately, since there is no bar in their posting on promotion, though the Membership verification election is fixed to be held on 01.02.2011, according to the guidelines of Corporate Office. The promoted officials will cast their votes in the specified booths, despite their posting to some other units.

Further, the pending request transfers in the cadre of TTAs within Chennai may kindly be considered, while posting of these candidates.

In respect of Chengalpet SSA also, the pending request transfer case of TTAs to Chennai may also be considered, under Rule 8, as per the procedure followed during the last occasions. Since this is the only way of getting transfers of the TTAs, who are working in the rural areas.

We expect your favourable decision on the above matters.

Thanking you,

Yours sincerely,

(K.GOVINDARAJ),
Circle Secretary.
